24 March 1955

MEMORANDUM FOR: Director of Logistics

FROM : Chief, Technical Review and Policy Staff

SUBJECT : Weekly Activity Report

1. General

25X1A [redacted]

2. Projects and Studies in Process

a. Intelligence Reports - (continued item)

Attended a second meeting held by the Inspector General to consider means of developing and printing intelligence memoranda, reports, etc., to be submitted to high level government officials. Samples of work done on the Justowriter were submitted for consideration. This material is to be reviewed by the Director and upon approval the program will be initiated.

b. Inspector General's Report - (continued item)

Follow-up action is continuing on this report. Several memoranda have been prepared on recommendations requiring implementation outside of the Office of Logistics.

3. Items of Interest

a. Logistics Support of Clandestine Operations -(new and continued)

Based on recent reports from the field, a memorandum has been forwarded to the Chief, FE suggesting that a complete review and realistic
25X1A realignment of Logistics T/O strength at [redacted] be initiated immediately. Action is considered necessary at this time to insure adequate logistical support and accomplish such support under financial accounting procedures.
